Jennies ink JuCo standout in early volleyball signing period

(WARRENSBURG, Mo.) – Central Missouri State University head volleyball coach Peggy Martin has announced the signing of a former junior college stand out to a letter of intent for the 2003 campaign. Martin signed **Kathryn Mueller** out of Coffeyville (Kan.) Community College during the early signing period.

Mueller, a graduate of Sante Fe High School and a native of Blackburn, Mo., is a 5-6 defensive specialist/libero. She played a year at Washburn University before transferring to Coffeyville.

“Kathryn is a quality athlete that will help replace Jacque Barr in the backcourt,” Martin says. Barr was a three-year starter for the Jennies who completed her career this past fall.

Mueller also has signed to play softball for the Jennies as an infielder. She has two years of volleyball eligibility remaining and three years of softball eligibility left.
