Quotes from the Coaches

"The UCM Fighting Mules Football Camp has been one of the most important tools for our football program. The UCM staff really does a great job of taking care of our players for the entire weekend and when the weekend is over we know a lot about our team. I would highly recommend this camp to any football program at any level. It is an intense three days of football!"

Tom Kruse, Raymore-Peculiar High School
Three-time 5A State Champion

"We have been attending the UCM camp for the past eight years. It gives our team the advantage of competing against other schools in a controlled and safe environment. The UCM coaches and camp staff do a tremendous job of instructing and supervising our athletes. We truly appreciate the team format of the camp which allows us to focus and drill on our specific offensive and defensive schemes. However, the staff is available to share their knowledge with our athletes during individual and group times if we request more attention. Additionally, the weekend provides our players and staff a great opportunity to bond together and to enhance the intangibles of team-building. This camp definitely has helped take our program to the next level."

David Allie, Raytown South High School
Class 5 - 2008 Runner-up

"The UCM Camp allows a team to be challenged every session against some of the best teams in the state. If you follow the teams that attend this camp throughout the year, you will see that they are consistently competing for conference, district, and state championships. Coach Fritz's staff goes beyond any staff we have encountered in meeting our needs. Without reservations, I highly recommend this camp to all teams, if for nothing else than the great competition that your players will encounter."

Farrell Shelton, Eureka High School
Class 5 - 2008 1st Round Playoffs, Record 10-2
