## 2006-07 In Review

Head coach Robin Ersland lead a rebuilding effort in 2006-07 – his 12th season at the helm of the Mules wrestling program. Central Missouri once again wrestled one of the toughest schedules in the country including matchups with Division I foe Illinois and eventual Division II National Champion Central Oklahoma and Runner-Up Nebraska-Kearney.

The Mules still went 9-10 in dual meets and qualified two wrestlers for the national tournament. Things didn't go as well at the NCAA tournament as Mules fans would have hoped. Mark Carey went 0-2 at 149, while Junior Jeremy Hudson was 1-2 at 184. The Mules placed 28th at nationals, it was the first time in nine years that UCM placed outside the Top 20.

Hudson punched his first ticket to the national finale with a fourth place finish at the NCAA-II Midwest Regional in Ashland, Ohio. Carey also placed fourth at the Midwest Regional. As a team the Mules finished fifth in the region and had nine wrestlers earn all-region honors. Caleb Dixon at 125, Keaton Baker at 133, 157-pounder Adam Tieben, Vince Bertucci at 165, Jesse Sheets at 174, 197-pounder John Ott and Heavyweight Drew Dawson earned all-region honors in addition to Carey and Hudson.

The Mules had one champion and eight placewinners at the Roger Denker Open and one champion and five placewinners at the MacMurray College Invitational.

Mark Carey was named Outstanding Wrestler of the Simpson College Invitational where the Mules placed fifth out of 16 teams. UCM also had two placewinners when they hosted the 32nd annual Central Missouri Open.

In all, the Mules had 10 grapplers with at least 15 wins and six topped the 20-win plateau. With many young guys returning, the future looks bright for the Central Missouri Mules wrestling squad.
