

2021 UCM VIRTUAL JAZZ FESTIVAL

Introduction

This year the UCM Jazz Festival will be using a **virtual format**. We plan to have between 30-50 middle school/junior high and high school jazz groups participating in the festival. They will come from classes 5A, 4A, 3A, 2A, and 1A as designated by MSHSAA regulations, and will receive constructive comments, rating sheets (delivered digitally) and individual awards for outstanding musicianship (mailed out after the festival).

Please note: we will continue using a RATINGS ONLY format for the festival this year (non-competitive only). It is our hope to make the festival as positive and educational an experience as possible. For any additional questions, please contact:
