We’ve missed you since 1962.

The year brought some major historic moments such as the Cuban Missile Crisis and death of Marilyn Monroe. There also were many bright moments such as Johnny Carson becoming host of the Tonight Show, the Rolling Stones, the first James Bond movie, the Beverly Hillbillies, Ringo Starr and Spider-Man. And best of all, our class graduated!

Plan now to return to campus for these 50-Year reunion activities:

- Campus tour, including the new Student Recreation and Wellness Center, Morrow Garrison Complex and Ward Edwards Building
- Induction into the 50-Year Society
- Class picture
- James C. Kirkpatrick Library tour
- McClure Archives and University Museum tour
- Prussing Research Farm tour
- Max B. Swisher Skyhaven Airport tour
- Commencement
- Lots of time to share memories and rediscover classmates
- And more...

50-Year Reunion
May 4-5, 2012
Return to the 'Burg

Want to get back in touch with a classmate? See how Warrensburg has changed? How UCM’s campus looks now? What today’s students are like? Your 50-year class reunion provides you a great opportunity to catch up with former friends, your alma mater and the ‘Burg.

Each year, the UCM Alumni Association sponsors the 50-Year Society reunion during spring commencement. On May 4 and 5, we will honor and induct the Class of 1962 while we also welcome back to campus society members from all previous classes.

So, call all your “long-lost” friends you want to reconnect with and plan now to attend our most popular class reunion of the year.

“From our arrival greetings to the culmination of our ‘repeat’ graduation, our reunion could not have been better. Campus tours and meeting with faculty members only made us feel more appreciated.”
— Robert W. Browning ’59 M.D. and MPH Elaine (Craft) Browning ’59
