Application for Admission to Communication Department & Digital Media Production Program

Thank you for your interest in a communication degree. **ALL students** will be assigned a department faculty advisor upon admission to the department. Before registering for their second semester at UCM, all students who have declared Digital Media Production as their major will have a hold placed on their account. They must visit the program's Academic Advisor in the College of Arts, Humanities and Social Sciences (Martin 124, phone 660-543-4814). The Academic Advisor will review the student's records. The student will then be sent to see the office professional in the Department of Communication (Martin 136) to submit this application for admission to the department in order to have the hold removed. Students will be assigned a departmental advisor and then be allowed to enroll.

Admission to the **Digital Media Production** program is conditional upon the following prerequisites: Completing COMM 1000, ENGL 1020 and ENGL 1030 or ENGL 1080 with a grade of C or better in all courses.
