

Progression through Transition Points

The UCM EPP monitors candidates through 4 transition points:

- Application to the Teacher Education Program (typically first sophomore semester)
- Admission to Teacher Education (typically first junior semester)
- Recommendation for Student Teaching (typically first senior semester)
- Completion of Program/Eligibility for Certification (final semester)

Cohorts are identified based on the first semester a candidate is fully enrolled in University of Central Missouri coursework. We begin tracking them when they apply for admission to our Teacher Education Program. Our Office of Clinical Services and Certification maintains a spreadsheet with each candidate and this spreadsheet is updated each semester. Below is a summary of recent cohorts as of May 2022.
