<b>"X" Indicates the school district meets the criteria for the specific category.</b>												
<b>Explanation of categories:</b>												
District: Name of Missouri or Kansas School District.												
Location: City and State of school building												
School: Individual school building in district.												
Grades: Grade level(s) taught in the school building.												
Multi Age: Students of different ages are educated in the school building.												
Gender: Both male and female students are educated in the school building.												
Public or Private: Designation of school district as either public or private.												
Classification: Designation of school district as either urban, suburban, or rural.												
ESOL: English for speakers of other language students are educated in the school building.												
Minority: Percentage of minority students in the school building.												
F/R Lunch: Percentage of free and reduced lunch students in the school building.												
Socio-Economic Site: Students in the school building have varied economic backgrounds.												
IEP: Students with exceptionalities, including gifted, are taught in the school building.
