II. Course Transfer Guidelines

- Eligibility for Transfer: The courses listed in the tables above are eligible for transfer and may be applied toward graduation requirements in the corresponding UCM degree programs, provided students meet the grade requirements outlined in the UCM Catalog.
- Credit Hour Conversion: The credit hours for EuroMed courses will be transferred according to the credit hour value assigned by EuroMed, rather than the UCM equivalent.

III. Course Review and Updates

This Addendum will be reviewed during the renewal process of the existing Parent Agreement to ensure that the listed courses continue to meet the necessary academic standards for transfer. Any proposed changes will require mutual agreement from both UCM and EuroMed.

IV. Disputes: Disputes will be handled in accordance with the dispute resolution procedures outlined in the Parent Agreement. If any disputes arise that are not explicitly covered under the Parent Agreement, both institutions will engage in good faith discussions to reach a resolution before escalating to formal procedures.

V. Modification: This Addendum may be modified only through written amendment, signed by authorized representatives of both institutions.

VI. Validity: This Addendum remains in effect for the duration of the Parent Agreement unless amended or terminated by mutual written consent.

IN WITNESS WHEREOF, the University of Central Missouri and EuroMed University of Fes have executed this Addendum to the Agreement as of the date of signature.

Before implementing these activities, the parties will discuss the opportunities and challenges presented and will thereafter enter into specific written agreements based on the mutually agreed upon objectives and outcomes.

II. Period of Agreement

This Agreement shall be effective upon the date of final execution and will remain in force for a period of five (5) years. This agreement may be renewed beyond three years by mutual written agreement. In addition, either university may terminate the agreement at any time by issuance of no less than six months advance written notice of termination to the other party.

III. Activities Under This Agreement

It is expected that activities taking place under this Agreement will be initiated primarily by academic units within each university, and in coordination with their respective administrative units concerned with international activities. The parties understand that each Program Specific Agreement may have different circumstances with respect to the personnel, types of activities, intellectual property, and other deliverables that UCM may be required to contribute. Therefore, UCM reserves the right to perform a separate risk assessment on the legal, tax and other liabilities that may arise under each Program Specific Agreement and to structure its deliverables under the Program Specific Agreement in a way that maximizes the cost and liability efficiencies for UCM. UCM reserves the right to assign and/or subcontract any or all of its obligations under this MOU and/or any Program Specific Agreement to any of its subsidiaries or affiliates (including affiliates controlled but not owned by UCM or any trustees of UCM).
