MSE Elementary Education (Curriculum & Instruction)  
Graduate Course Sequence  
Revised November 2009

This is the schedule of courses that are guaranteed to be offered through Spring of 2011. As a new graduate program, we cannot offer all courses in the program every semester. Additional courses or additional sections of courses will be added as enrollment warrants. All graduate students can graduate in a two-year period. Work with your advisor to plan your program of study based upon this rotation.
