### VALIDITY OF THIS TRANSFER GUIDE

This guide is based on the UCM 2017 Undergraduate Catalog and is subject to change. This guide is a recommendation only and your actual program may vary. Time to degree completion and course sequencing will depend on any credits transferred to UCM, successful completion of the AA, and on planned placement in math, reading, and writing. See the current UCM Undergraduate Catalog ([www.ucmo.edu/catalogs](http://www.ucmo.edu/catalogs)) and SFCC Course Catalog (<https://www.sfccmo.edu/offices-services/academic-records-registrar/course-catalogs/>) for a complete listing of academic policies, curriculum, prerequisites, and course descriptions.

### SPECIAL PROGRAM NOTE

- Several of the courses required for this degree are only available in particular semesters (fall-only or spring-only). Students are encouraged to work with their academic advisor at UCM early and often to ensure timely degree completion.
- Graduation within the traditional four year timespan is not likely with this program due to the number of courses only available at UCM.
