On your 2022/2023 Free Application for Federal Student Aid (FAFSA), you indicated you are (or previously were) classified an **Emancipated Minor** (as legally determined by a **court in your state of legal residence**).

☐ Mark this box if you should actually have answered No to Question 53 on your 2022/2023 FAFSA.

Your response to this FAFSA question **must** be verified before processing of your financial aid eligibility can continue. Therefore, please submit a photocopy of the legal document that verifies your current (or past) status as an Emancipated Minor. These documents must clearly state your name and must be issued from the court in your state of legal residence at the time the court's decision was issued.

Please note: Court documents that show a student has been emancipated before reaching the age of majority in his/her state of legal residence (for example, in cases of legal judgments terminating or modifying child support) are not proof of emancipated minor status.
