

Military Out of State Waiver Form

Name: _____

700 # _____

Status: Veteran

This is my first time using the waiver

Active Duty

I have used the waiver in past & submitted documentation.

Dependent

Documentation must be provided to receive the Out of State Waiver to waive non-resident fees.

- Active Duty Members: copy of orders or a staff member must view military ID.
- Veteran: DD214
- Dependent of Active Duty: copy of orders with dependents name listed or a staff member must view Dependent ID
- Dependent of Veteran: copy of service members DD214.
 - *For dependents to receive waiver, Veteran must be within three years of discharge from service. If outside the three years of discharge date, dependent will not receive the Out of State Waiver.*

I understand this form must be submitted every semester to receive the Out of State Waiver and that this will only waive the Non-Resident portion of your total tuition and fee amount.
