INTERNET CONNECTIVITY

EXCITING NEWS! INCREASED NUMBER AND UPDATED WIRELESS ACCESS POINTS IN ALL RESIDENCE HALLS IN IN THE LAST TWO SUMMERS!

When searching networks, find UCMO-WiFi. You'll need to enter your Network ID and Password. This is the same ID/password that you use for Blackboard, logging into campus computers, and accessing your UCM email.

Devices such as laptop, PCs, tablets, phones, etc. that can easily enter network ID and password do NOT require registration. Items including gaming systems, streaming devices (such as Roku or Firestick), or smart TVs must be registered to access wifi connection.

If you don't know your Network ID and password: Log in to MyCentral at mycentral.ucmo.edu > Records and Registration > Student Profile > Network ID

To register devices visit: student.devices.ucmo.edu

Student Devices Support Information

How to connect to the University Wi-Fi network

1 – Select UCMO-WiFi from the list of available Wi-Fi networks. Does it prompt you for a username and password? NOTE: Newer devices can auto-configure to connect to UCMO-WiFi. However, check your device's user guide to see if it can be manually set for WPA-AES then try to connect to UCMO-WiFi.

If you are prompt for a username and password but having trouble connecting to UCMO-WiFi, contact the UCM Technology Support Center for assistance.

2 – Students can connect up to 3 wireless devices to the UCMO-Guest network if their wireless device is an older game console, smart TV, etc. that does not prompt you for a username and password when connecting to UCMO-WiFi. Students must manually enter each device's wireless MAC address.

UCM'S GUIDE TO GOOD DECISION MAKING & HOUSING POLICIES

As a student, you are expected to follow the guidelines & policies within UCM's Guide to Good Decision Making. This guide provides all university policies including those within University Housing.

Students who live in the residence halls and campus apartments have a unique and exciting opportunity to directly engage with other students in a vibrant and dynamic learning environment. Compared to students who live off campus, students who live in university housing have higher grade point averages, higher retention rates, and report greater satisfaction with the University. Living in this environment includes responsibilities that are unique to residential life. These responsibilities are designed to help create a community that is:

- Conducive to learning
- Safety conscious
- Respectful of others
- Responsibly regulated

Some of these policies address how you should interact with others (roommate disagreements, cohabitation, use of shared resources, actions that disrupt the educational atmosphere, etc.) while other policies address environmental matters directly related to safety (fire safety concerns, creating hazards). You are encouraged to reflect on these responsibilities and ask staff for clarification if you do not understand the purpose of a policy

WHO IS HERE TO HELP?

Assistance & Support

One thing is for sure: You'll have all the help you need to settle into life at UCM. Your first line of assistance is your undergraduate staff member. There are Community Advisors (CAs) in all the residence halls. The CAs are supervised by a Residence Hall Director (RHD)

who is a graduate assistant pursuing a master's degree. Learn more about all these positions below:

One of the most important people on your floor, and the first person you should go to for most non-emergency situations, is your Community Advisor (CA). In most buildings there will be two CAs per floor for firstyear communities. The CA/ACA is an upperclass student, who has gone through a several week selection process, hired to be there for you. Within our apartment communities (Greenwood Park and Central Village), the students are Apartment Community Assistants (ACAs). Within Fraternity & Sorority Life, these staff are referred to as Chapter Assistants. The ways CAs/ACAs serve as a resource for residents:

- CAs are the first person you should go to for any situation.
- They are prepared to help with transition issues like homesickness, help with locating resources, roommate issues and much more.
- CAs will plan events and activities for the floor and help get you connected with the other students in the community.
- They will also confront inappropriate behavior to help the community be an respectful place to live and study.
- The most important thing to remember about your CA is they are right there with you whether you are a returning student or a first-year student.

University Housing is the largest employer on campus for students which provides our students with needed support and resources.

HOW DO I FIND MY CA?

Each CA will have a room located in the building (not necessarily on every floor) and the room will indicate as such. You will also see a CA on duty, making rounds of buildings each night for student safety.

HAVE NO FEAR!

Are you worried about having to share space for the first time? No need to fear! Our Community Advisors are trained in conflict mediation strategies so that you can have the best experience possible!

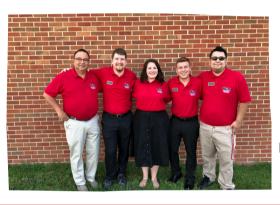

Residence Hall Directors

RHDs are graduate students pursuing their degree in College Student Personnel Administration, which means they plan to continue working with students as their career. The RHD lives and/or has an office in your building, so they are very accessible to you. Ways RHDs serve their communities include:

- Supervision of CA staff & other student staff members
- Advising Hall Council and helping your building develop a strong sense of community.
- Ensure building is well maintained
- Serving as a resource to go to for any issues and challenges you have, after your CA.
- Serve as conduct officers, which means if you experience a behavioral challenge you will meet with them to discuss how to make better decisions during your time at UCM.

UCM. Housing

SAY HELLO!

Please stop by your RHD's office to say hello or if you have questions/need assistance. Most RHD offices are located in the lobby of the residence halls. Each RHD's office hours are posted on their door each week.

Front Desks & Office Assistants

The front desk in your hall is a great resource when living on campus! Our front desks are open for specific periods of the day to offer assistance for students in the residence halls. Signs will be posted with front desk hours. Front desk services include:

- Mail/Packages
- Lockouts
- Updating room condition inventories (within one week of move-in)
- Maintenance/safety concerns
- Check out supplies including games, cleaning supplies, cooking supplies, etc.
- Contacting CAs
- General questions/concerns

SAFETY IS PRIORITY

Safety of all our residents is of the upmost priority to our student staff, RHDs, and professional staff members. Directives provided for student safety are given with care & concern for student welfare. Please join us in creating a safe community at UCM!

RESIDENCE HALL DESK CONTACT INFORMATION

Our front desks will open on move-in day in January. Front desks are staffed during special hours of the day while school is in session. During break periods, please contact our main housing office. Please refer to our staff page at ucmo.edu/housingstaff to contact your Residence Hall Director with larger concerns/issues.

ROOM CONDITION INVENTORY

Assessing Your Room Condition

When you check-into a residence hall, you are required to fil in your room condition inventory (RCI). This is a VITAL part of the check-in process. It is the student's responsibility to be as detailed on possible when reporting condition of room upon check-in. With well over a 1000 rooms on campus, we understand that some may have a scratch or imperfection within the room. We ask that you write these down so you are not charged for this come May. Below is a blank example of an RCI and a detailed RCI at the bottom. Take the time to look around your room.
