Application for Membership in
Iota Lambda Chapter, Gamma Theta Upsilon (GTU)
International Honor Society in Geography

History:
The Iota Lambda Chapter of Gamma Theta Upsilon was established on March 10, 1966 at Central Missouri State College. Since that time more than 250 scholars have been inducted into the society.

Purposes of the Society:
1. To further professional interest in geography by affording a common organization for those interested in the field;
2. To strengthen student and professional training through academic experiences in addition to those of the classroom and laboratory;
3. To advance the status of geography as a cultural and practical discipline for study and investigation; and
4. To promote life-long learning and enjoyment of geography.
