Warrensburg, MO—Delta Zeta at the University of Central Missouri will be participating in the Muscular Dystrophy (MD) walk on Saturday, April 18th, in Overland Park, KS.

The women will gather at Corporate Woods at 9:00 a.m. on Saturday, April 18, to participate in the Muscular Dystrophy Walk. The women, along with chapter alumnae, have organized participation in the walk in part to show support of a Delta Zeta alumna currently living with MD. Each member has been asked to donate $10 for the cause, and over 220 alumnae have been invited to participate.

“This is a cause near and dear to us, and though it is not one of our national philanthropies, it does affect our alumnae,” said Delta Zeta president Mallory Bratton. Following the walk, the women will host a dessert bar reception for alumnae at the nearby Marriott Hotel.

Anyone is welcome to participate with the women of Delta Zeta in the MD Walk. For further information on the event or to make a donation, please contact dzepsilongamma@yahoo.com.

Delta Zeta was chartered at the University of Central Missouri in 1927. For more information on Greek events and philanthropy, contact Kelly Waldram Cramer, Marketing Manager for Housing, at waldram@ucmo.edu.
