Warrensburg, MO—Tau Kappa Epsilon at the University of Central Missouri will hold a tricycle race relay fundraiser to benefit Alzheimer’s on April 25, 2009.

The “TKE Trike 400” event will be held in the parking lot at South and Washington St. in Warrensburg the afternoon of April 25. The races are scheduled to begin at 3:00 p.m. Entry fee is $20 per four person team. This is the first year for the fundraiser; however, the men hope to make the tricycle race an annual event.

Proceeds will benefit the Alzheimer’s Association. Tau Kappa Epsilon adopted the Alzheimer’s Association as the official national philanthropy in 2001. The Association funds innovative Alzheimer’s research in honor of fellow TKE Ronald Reagan.

“TKE Trike 400 is a great event in which we can raise money in order to contribute to the research and a diagnosis of Alzheimer’s which has affected many people’s lives,” said Derek Barr, Tau Kappa Epsilon President.
