

UNIVERSITY OF  
CENTRAL MISSOURI®  
— HARMON COLLEGE OF —  
BUSINESS AND  
PROFESSIONAL STUDIES

Welcome to the Harmon College of Business and Professional Studies!

We are excited to offer accredited and nationally renowned programs that enrich students' education with hands-on, real-world experiences. Our energetic and experienced faculty members are proud of the programs offered in the Harmon College, and they are dedicated to an educational experience that extends beyond the classroom. We offer degree programs that prepare students for leadership roles in the constantly changing and highly competitive business and professional world, both in the United States and around the globe. The staff members of our centers, clinics, and institutes provide outstanding services to the community and support the applied learning opportunities available in our college.

We invite you to visit us and join our dynamic learning environment.

Sincerely,

Jose Mercado

Dean

Harmon College of Business and Professional Studies
