Middle School Education Major - Social Science Subject Area, B.S. in Ed. Degree (41-840)

This guide is valid for the 2014 Undergraduate Catalog only and is subject to change. This guide is a recommendation only and your actual program may vary. The time it takes to complete a degree and the sequence in which courses are taken will depend on any credits transferred to UCM and on placement in math, reading, and writing. See the current Undergraduate Catalog (www.ucmo.edu/academics/catalogs) for a complete listing of academic policies, curriculum, prerequisites, and course descriptions.

- *Middle school majors must choose a second subject area for certification. The subject areas are: Business Education, Language Arts, Math, Science, Social Science, Speech/Theatre, and Engineering and Technology. Each subject area is 23-25 hours plus a teaching methods course. This plan is based on a 24 credit-hour second subject area. Students should work with their academic advisor early for selection of courses as all areas have some overlap with general education coursework. This may help to reduce required hours and/or increase free choice elective hours.

- **The courses listed for this semester constitute the professional education (student teaching) block. The student should not take any other courses during this semester.

- The Missouri General Education Assessment (MoGEA) is an exam required of all Teacher Education students. Students must pass all five areas of the MoGEA for admission to the Teacher Education Program. Students should take and successfully complete the MoGEA before completion of their sophomore year (60 earned hours). See your academic advisor to discuss the classes needed to prepare for the exam.

- See www.ucmo.edu/cert for statement and information (including application) on admission to teacher education. Full admission is required before enrollment in professional education classes and student teaching. The application for student teaching is due approximately one year in advance.
