Performances

The Marching Mules perform for every Fighting Mules home football game, and are a central part of UCM's annual Homecoming Parade & Pep Rally. They also perform in exhibition as the host band for the annual [Festival of Champions](#), and have been frequent guest performers at Kansas City Chiefs home games and other area exhibitions.

Rehearsals

The Marching Mules meet during the fall semester as a complete unit (winds, percussion, and guard/auxiliary) every Tues. & Thurs., from 3:30-5:30 PM

In addition, the Guard will meet separately for a sectional rehearsal each week, based on members' schedules, and the Drum Line (cymbals, snares, tenors, and basses) will meet separately for a playing sectional (typically 1-2 hrs/week).

The full band also meets for a rehearsal in the stadium (Walton Stadium) prior to HOME football game performances.
