

General Education Assessment Competency 3 Modified VALUE Quantitative Literacy- Fall 2017

924 of 1218 (76%) students artifacts were submitted in TK20 in Fall 2017.

This table showed student performance by year. There was not much rating difference between freshmen, sophomores and juniors and seniors.

8% of freshmen scored 0 in all three dimensions.

Sophomores had better performance than freshmen in all dimensions.

Juniors had highest score (rating 4) in Interpretation ability and lowest score (rating 4) in Application/Analysis.

There was not much difference of scores among sophomors, juniors and seniors. More than 15% seniors scored 1 in all dimensions.
