

WiFi Connectivity at UCM

Students/ Faculty/ Staff

The Office of Technology provides a wireless signal for use by students, faculty, and staff. To connect:

- With the WiFi feature turned on, look for and select UCMO-WiFi in your set-up menu;
- Accept the security certificate from login.ucmo.edu if prompted;
- Enter your Network ID and password when prompted for user credentials.

Guests

Guest access is enabled on the University wireless system. To connect:

- Choose UCMO-Guest from the list of available wireless networks on your device;
- You will be redirected to a web page that prompts you for a 5 day Guest User ID;
- Click the "Don't have a Guest User ID?" link at the bottom of the page;
- You'll be taken to a registration page that asks for some basic information about you, including a valid email address;
- Your 5 day Guest User ID will be your email address;
- Your password will be sent to the email address you provided during registration.
