Mr. Jones,

The extension for updated rules document to Tuesday, January 21, 2025 is acceptable.

The information we have received regarding after hours commercial activities stated two non-UCM aircraft undergoing maintenance at RCM.

- Aircraft 1 - N7195S, registered to private owners [REDACTED] (possibly the parents of a UCM mechanic employee) undergoing maintenance in a UCM hangar on Oct. 13, Nov. 9, and Dec. 9, 2024
- Aircraft 2 - N28631, registered to private owner [REDACTED], undergoing maintenance on a UCM ramp on Nov. 5, 2024.

Please let me know if you have any questions or need additional information.
