FAA testing will not be available on the above dates. Also, if the University of Central Missouri is officially closed, such as for inclement weather, Testing Services is also closed. Check the UCM homepage for closures: http://www.ucmo.edu/

Testing Fees
Candidates must register, schedule and pay through PSI/Lasergrade. The cost for FAA testing is $165.00. $10.00 AOPA or EEA discounts are available with a membership number.

Testing Site
All tests will be given at Testing Services, Humphreys 216, University of Central Missouri, Warrensburg. Site: LAS64001

Testing Preparation
FAA AKT guides and sample questions are available from the FAA website: http://www.faa.gov/training_testing/

Testing Eligibility and Authorization
There are specific eligibility and age requirements for these exams. Some FAA exams require proof of authorization be presented prior to testing. An incorrect or improper authorization or not meeting the eligibility requirements will result in the candidate being required to retake the test and repay the full testing fee. It is the testing candidate’s responsibility to know what test they need to take and to provide the correct documentation and information to take any FAA Airman Knowledge Test.

The FAA Knowledge Testing Authorization Requirements Matrix will be useful in determining eligibility and proper authorization and can be viewed or downloaded from the FAA website: http://www.faa.gov/training_testing/testing/.
Day of Testing

1. Candidates should arrive 10 minutes before scheduled test in order to check in.
2. Lockers will be provided for personal belongings; cellphones must be turned off (not vibrate).
3. Non-programmable calculators (non-electronic E6B permitted) and FAA-approved plotters are permitted.
4. Pencils, scratch paper, simple calculators and all appropriate supplement books will be provided.
5. Candidates testing will be under visual, as well as video, surveillance.
6. Candidates should bring an official valid, current (non-expired) ID that contains the following information:

<table>
<thead>
<tr>
<th>ALL Candidates</th>
<th>U.S. Citizens &amp; Resident Aliens</th>
<th>Non-U.S. Citizens</th>
</tr>
</thead>

</tbody>
</table>

NOTE:
- Identification may be presented in more than one form.
- If the acceptable form(s) of identification does not include valid and current proof of the candidate’s physical/residential address, the candidate may utilize his or her parent’s permanent/residential address; or the candidate may provide proof in the form of an ‘official’/verifiable document, such as public utilities statement. Examples of an unacceptable physical/residential address are a post office box, rural route, flight school address, or a commercial business/employer address.
- For a candidate under age 18, who does not possess an acceptable form(s) of identification, a parent or legal guardian may be required to accompany the candidate, and after presenting identification as described above, may attest to the candidate’s identity.

Re-Testing
Candidates must wait at least 30 days before re-testing for a higher score and must present the original, embossed score report. Please refer to the FAA AKT Authorization Requirements Matrix; re-testing policies may differ for some exams.

Score Reports
Score reports will be provided following testing. Testing Center Staff may not print additional reports. Candidates seeking duplicate or replacement copies must send a request, including a check or money order for $2.00 to:
