GAMMA Gold Star Award
-For Excellence in Prevention-

Greek Fraternities and Sororities need to be recognized for their contributions in the field of prevention. It is because of this reason that GAMMA is encouraging fraternities and sororities to participate in a number of alcohol free events, late night programming and educational programs. GAMMA has devised a point system in which to fairly judge the sorority and fraternity that contributes the most in the area of prevention.

The point system is as follows:
